Promote with a reusable customized tote! Our eco-friendly jute and canvas bags are a great way to incorporate eco-friendly into your packaging program - either as promotional, gift with purchase or resale. Ask about our custom made to order program available with minimums starting at just 300 bags. Building your bag is easy - simply choose your bag style and size, color option and handle style and we'll take care of the rest. Personalize your bag with a vibrant color sensations print or bold screen print for a finishing touch!

PACKAGING BECIALTIES

YOUR BRAND IS OUR BUSINESS

Step 1: Select your bag style and size – choose jute or canvas or a combination of both. We recommend adding a laminated interior to your bag for added rigidity and water resistance.

Step 2: Select your bag color – choose from a range of over 20 featured colors available. Choose from bright hues like lime green, felix pink or tangerine, or go with neutral tones in black, natural and milk white or even pastel tones in sea green, dusty rose or aqua. Additional standard color selections available upon request.

Additional colors and configurations available on all canvas and jute bags - call for more information. 300 bag order minimum for custom canvas and jute bags. Please allow 10-12 weeks for delivery.

STANDARD BOX COLOR PROGRAM

Our Standard Box Color Program serves as a basis for creating a customized, coordinated packaging program in small quantities that's easy to understand. Although we can manufacture boxes to match just about any PMS color, our standard colors are designed to coordinate with many of our in stock bags. Unlike custom PMS matched colors, standard colors typically require smaller minimums and do not incur an ink charge. Choose from an assortment of colors available on white or natural kraft board, from smooth finish matte colors, elegant metallic shades, lustrous gloss hues and even textured finishes too. Please allow 4-6 weeks for delivery.

EMBOSS PRINTING

Add dimension with our new elegant Emboss Printing option. Embossing is a process of creating raised images and designs in paper packaging products. Choose from blind embossing or tint embossing which includes adding a foil color to your embossed logo or design. Emboss printing is available on all paper and European shopping bags, and various box styles like gift, apparel and specialty boxes that include jewelry boxes, gable, pillow pouches and food service.

PRINTING CAPABILITIES

SCREEN PRINTING

Silk Screen Printing is an ink based printing technique used on woven products. A design is applied onto a screen and ink is heat transferred through the screen onto the woven material. Screen Printing is available on our eco-friendly products like jute and canvas bags, non-woven bags and select non-laminated European shopping bag styles.

NOTE: PMS colors listed above are not exact representations of ink colors. PMS colors listed are a close-to approximation. Screen Ink Print colors may vary depending on the transparency of the ink and color of bag on which it is placed. PMS color match is available for an upcharge - please call for details.

COLOR SENSATIONS

Color Sensations Printing is a digital transfer print process used on fabric based products. This print process allows a multi color or photographic image to be printed onto the bag material. Color Sensations printing is available on our eco-friendly bags, nonwoven and select European shopping bags like our matte laminated, natural kraft and enviro euro totes. This print process leaves a matte finish vibrant design and is perfect print solution for large print areas or designs with more than four colors.

GENERAL INFORMATION

PLATE INFORMATION & IMPRINT COLORS

All custom printed products require a printing plate.

- Hot stamping requires the creation of a metal plate

- Ink imprinting requires the creation of a rubber plate

Note: Plate charges are a one-time fee per logo. Please note that imprints of more than one color require additional plates for each additional color. Plate pricing includes up to 45 square inch coverage for bags and 20 square inch coverage for boxes. Plates larger than 45 square inches for bags and 20 square inches for boxes require a special quotation - please call for details.

Calculating Square Inches: (Logo width + 1 inch) x (Logo height + 1 inch) = Total Square Inches

- Four Color Process printing will incur an initial set up fee.

ARTWORK GUIDELINES

Artwork must be supplied black and white camera-ready, to exact size and color-separated. If your artwork requires us to change art size, transform a rough layout or set type, you will incur art charges which will be quoted at the time. Photocopies, business cards and stationery are not acceptable forms of camera-ready artwork.

We accept art in either PC or Mac based formats - Adobe Illustrator, InDesign or Vector PDF files preferred with fonts converted to outline.

If placed images (scans) are used in Illustrator, scans must be included with the job. Scans should be 600 DPI or higher.

We will also accept the following formats: Encapsulated Postscript (.eps) and Portable Document Format (.pdf).

Acceptable media include CDs.

Art files should be compressed using WinZip or Stuff-it to guard against corruption and to reduce the file size.

Artwork may be emailed to artwork@pack-spec.com. Subject line should contain PO# or company name for easy referencing to your order.

Note: A copy or printout of all digital and emailed artwork must accompany the purchase order to ensure digital file accuracy.

PROOFS

One black and white proof will be submitted for all new custom printed orders. Orders will not be scheduled for production until signed proof approval is received. All artwork becomes our property unless otherwise discussed.

Note: Orders canceled after artwork being proofed will incur a cancellation charge plus any art, plate, special material or die charges.
